From the Boston Post. Dutrageous attack upon a Southerner-A Mob Hundreds of Southerners leaving.

OCEAN HOUSE, NEWPORT, Aug. 9, 1852. This usually quiet villlage was this morning full of excitement, occasioned by an attack of waiters upthe person of E. M Yerger, Esq., a young planter from the South. The circumstances are as follows : lady friends to a dish, when a waiter attempted to take it from his hands. He very promptly and propdiscovered a movement among the waiters, and having armed himself in anticipation of an attack, he and, and, as the mob advanced, he told them he vy, Mr. Pollard, of Alabama, and many other friends any speculation I can make. of Mr. Y. came to the rescue.

til he was surrounded by his friends; he was thus been quite as prosperous as in any other, with one Southwest always take this route to and from Wash- "I must say, without disparagement to any, that attemets to fire upon Mr. Yerger, but was prevented made fortunes worth from seventy-five to a hundred ing which has ever been held in the State. An op- tain."-John Tyler. from fear of killing some of his accomplices. Mr. thousand dollars; three from twenty to fifty thou-portunity will thus be afforded our citizens, to see 'I know Gen. Pierce well—he is the very man for FLOUR, per barrel. Yerger, was taken from the room by his friends, vi sand dollars; nine have made from a scanty to a our old and tried friend. Col. King, surrounded by maining Southerners. They gathered, however, in increasing their property a trifle; seven may have another part of the house, and being in number supported themselves only: and twenty-four, being try. paring to leave. Mr. Weaver did all he could toar- 'would not pay.' And some other classes had quite everywhere .- Goldsboro' Rep & Pat. cision, he of course failed. I must say that if guests threatened the lives of Col. Christy and Lieut. Nelsom, who were warm personal friends of Mr. Y., and stood by him in the midst of the difficulty. Several important in the fashionable world—the same routine of bathing, riding and hopping, occasionally enlivened by an Irish episode.

The Lobos Islands and the Guano Question-Another Speck of War with England.

with the government of Peru regarding the Lobos nine were failures. islands, and a copy of the instructions to the com-

recognized, or should or will recognize, the preten- cupations which usually attract them." sions of Peru, although sustained in those preten-sions by the government of England. A very brief find the following paragraph, which commends itstatement, we apprehend, will settle this question. In the year 1846, the bonds of the debt of Peru,

not very creditable, either to his vigilance, his pru- rism, or run into the excesses of anarchy " dence, or his sagacity. Ignorant, perhaps, of the real merits of the case, Mr. Lawrence is understood which had been down to 871 per cent., rose to the

in Washington. About the first of June last, Capt. though endeavoring to sound it. James C. Jewett, master of the back Philomela, in generally, addressed a letter to Mr. Webster, Secre- you merely amusing yourself ?" tary of State, inquiring whether citizens of the United States might take guano from the Lobos Islands without infringing upon the rights of the citizens, trying to see if I could find 'em." or subjects, or government, or any other nation .-The official reply of Mr. Webster, after a deliberate his sympathy, and proceeded on. cabinet consultation, was clear and conclusive in support of the doctrine of the "common property" of all nations in the guano of those islands.

Under the guaranty of this letter of Mr. Webster, some thirty vessels from the United States-princiliately sailed for the Lobos islands, it being well unwar, under Commodore McAuley, of the Pacific staion, to be on the ground. It appears, also, that in-Baring & Co., the Peruvian bonds, which had ris-

en to 106, declined to 99 per cent. Now we are on the eve of bringing this matter to he same crisis as the Nova Scotia fishery question. We learn that the government of Peru has a steam ingland, upon all other nations; and that our vesels destined to the guano grounds are in the same danger of seizure and confiscation as our Yankee man, which must shake off many a weakness before hing smacks on the banks of Newfoundland. The it can enter the list with the English." to fight it upon sufficient provocation.

New York Herald. A Monster Shark.—The Savannah Republican ays that a monster shark was caught in that haror on Friday last. It measured fifteen feet from the end of its tail to the tip of the nose, and when opened it was found to contain ten king crabs, a seaull, an a man's boot, with any quantity of bones. sembling those of the human body. It took seven oat. The jaws contained eight rows of teeth.

hich crosses the river Pee Dee at Cheraw, fell in, the private mark of the Earl of Derby." onsequence of an attempt to renew a wooden er the weight of lumber intended for the repairs

Agricultural Life.

Judge Andrews, of Georgia, delivered an address mercantile, and agricultural vocation:

"I have given it as my opinion, that agriculture day.) is more remunerative than any other employment It is to be hoped the committee will take the time On Sunday, at dinner, Mr. Yerger was helping some in the country. I believe there are now more men named in the widest sense and say the second and State, the young Franklin Pierce, that will be, beof property in Georgia, who began life without cap- third as days to which we invite the People, the fore he is sixty years of age, a man for the democital, that were at one time overseers, than any other STATE to assemble in Council -a grand Mass Mee- racy, without the Demagogue."-ANDREW JACKSON take it from this hands. He very promptly and properly raised his case-knife which he held, and struck pursuit. One great element of profit to the agricultural struck turalist, often overlooked, is the support of a family wish of 1200 voters in Wayne, and our invitation when President Polk signed the commission of room, and dinner went on as usual. The next morn- in comfort and respectability. Let him who is eduing, Mr. Yerger went to breakfast, and, being seated, cating his children, having servants to relieve his State. Our place is of easier access than any town army in Mexico, he turned to Gen. Armstrong and wife and daughters from the drudgery of domestic labor, horses to ride, a house to shelter, and garden in their thousands, and the East and the West man who will one day be President." prepared for self-defence. He held a pistol in each and fields to feed in plenty, but who complains that can meet here-holding a jubilee for our past victo- "I look upon Franklin Pierce as one of the most he makes nothing because he 'lays up nothing,' sell ry, and stimulating and strengthening our arms for reliable men, as a statesman and patriot, that the would kill the first man who came within five feet. out his homestead, and see if he can appropriate the a greater in November. Mississippi at St. John, N. B.

The St. John New Brunswicker, in noticing the arrival of the U. S. steamer Mississippi, Com. Perry, at that port, says she will be of as much service in proman of war, as the subject only needs investigation same paper says:

"We may mention as an instance of how correct good account, that the American revenue cutter, which is generally stationed at Eastport, proceeded upon a cruise over the fishery grounds, a week or two since, and the commander found that his chief business was to warn American trespassers off of forbidden ground. He found them, in almost every instance, taking fish within the treaty limits, near the shore, and cautioned them as to the consequences should they be caught.

"We hope that the Mississippi, and indeed the who'e American Navy, will cruise about our bays and harbors. For that matter we would willingly dispense with every vessel sent out by England, and throw ourselves altogether into the hands of 'our enemies'-for justice would then be meted out by those who would
